

## Fire Extinguisher Reservicing Options

### **142B.72, Subd. 4. Fire extinguishers.**

A portable, operational, multipurpose, dry chemical fire extinguisher with a minimum 2 A 10 BC rating must be located in or near the kitchen and cooking areas of the residence at all times. The fire extinguisher must be serviced by a qualified inspector annually, by the same month of the previous year. All caregivers must know how to properly use the fire extinguisher.

This is a list of nongovernment area businesses that offer fire extinguisher reservicing. Sourcewell has not vetted these businesses, nor does Sourcewell recommend or endorse these businesses. This list is for convenience only.
